

Blueline

Gas and oil fired cast
iron boilers for power
flame burns for heating
only

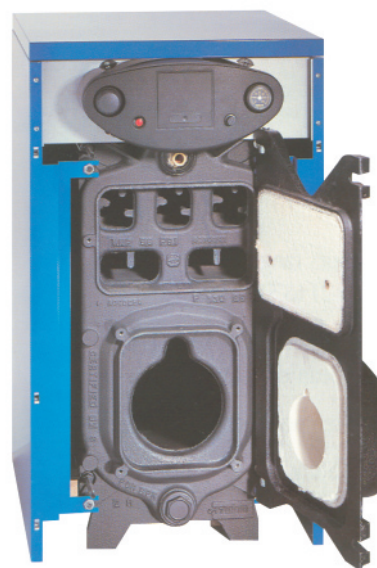

Multigas boiler

Blueline

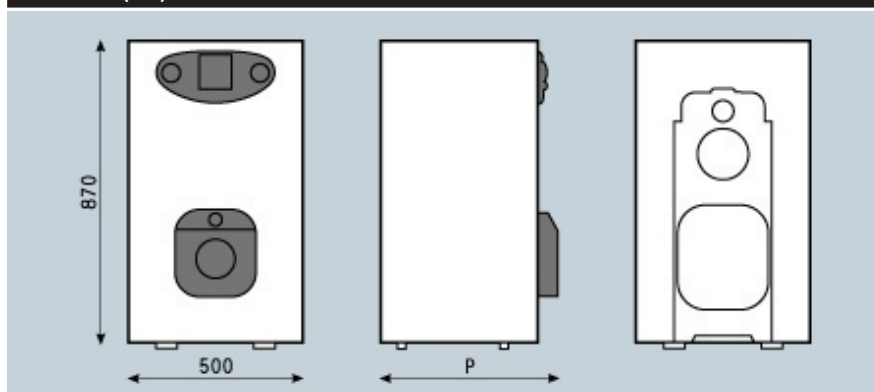

- Heating only;
- Gas and oil fired cast iron boilers for power flame burns;
- Output ranging from 25 to 64 kW;
- High efficiency European directive 92/42;
- CE certified.

Main features:

- Low temperature operation;
- Silent operation;
- Environment-friendly;
- Proven reliability;
- Triple thermal passage;
- Versatile (it can be fitted with any burners).

Dimensions (mm)
